

Make a statement with a beautiful Post Clock.

Elegance
Available in 10'

Compelling reasons to install a post clock:

- Add timeless elegance and sophistication to your property's ambiance
- By combining functionality and aesthetics your post clock will become a captivating landmark for the community
- Featuring your logo or text on the clock face helps reinforce your brand identity.
- Post clocks can both aid in navigation and become a community gathering point.
- Post clocks can instill a sense of pride in both the property owners and the surrounding community.

Twin Classic
Available in
11', 13' 6" and 16'

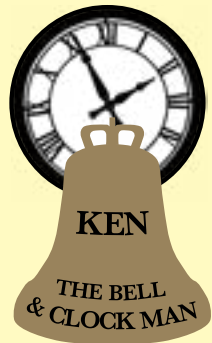

**The
Village Square**
Available in 12' and 16'

Quad Classic
Available in 16'

Enhanced features:

- Crafted with premium thick-walled cast aluminum will stand tall for generations.
- Customize your unique style with a wide range of powder-coated colors and trims.
- Clock faces are LED back-lit and remain visible day or night for maximum exposure.
- The clock controller seamlessly adjusts for seasonal changes and power outages so you'll never have to manually reset your clock.
- Standard warranty, for parts and labor, is 3 years. An extended 10-year warranty is available, on parts and labor, with annual planned maintenance service.
- Optional headache-free installation includes: Concrete footer complete with electrical and anchor bolt connections. Clock hoisted from truck and installed onto prepared concrete pad.
